

CONOCIMIENTO CONFERENCE

TUESDAY, APRIL 9

Student Conference on Mental Health,
Healing, and Community Resiliency

UC BALLROOM AB: FOOD & GIVEAWAYS

12:30pm- 2:00pm **Plenary Panel & Podtalk
Discussion on Mental Health**

An interactive experience with Gary Marks and Dr. Lilian Milanés, surrounding an episode of the popular podcast "Code Switch." Student leaders will facilitate group discussions regarding the relevancy and importance of topics discussed.

2:00pm- 3:15pm **Healing Through Music
Drum Circle**

A captivating performance led by WP Percussion professor Dr. Payton MacDonald. Attendees are invited to join in the drum circle and explore the healing benefits of music.

3:30pm- 5:00pm **Stories of Identity & Resilience;
Student Art Showcase & Panel**

An engaging panel where students discuss their Latinx community identities, histories and experiences. Followed by an art gallery showcasing students' artwork relating to mental health, healing and community resilience.

**Civic Engagement
Table**

Join us in assembling
mental health goodie
bags for those in need.

Be sure to stop by
our mental health
tables to learn more
about our
community
resources!
