

Good day,

Welcome to the 2nd of seven Business Process Reengineering workshops in the fall 2021 workshop and lunch-and-learn series.

The series consists of short 7-minute videos designed to be watched independently for self-directed learning.

These are the Business Process Reengineering series video titles:

1. Introduction
2. **The Three C's – this week's lunch and learn video**
3. Characteristics
4. Requirements
5. Key Steps
6. Pitfalls
7. Implementing Radical Change

The lunch-n-learn session is this **Friday, September 24 from 12:30pm to 1:30pm**, per the schedule below. There will be a facilitated **Lunch-and-Learn to discuss the video**. There will be no sign-up. Just click in or show up.

We will be meeting on Zoom. The link is below.

Here is information about this week's offering:

[Click here](#) for instructions on how to access the second EAP workshop, which this week is a 7-minute video on The 3 C's. The fall 2021 workshop and lunch-and-learn series schedule is below.

While all seven workshops are available on-demand by signing into www.theEAP.com (instructions attached), this format will give us an opportunity to learn together one video at a time.

Here's the Zoom link for the facilitated discussion this Friday, September 24 from 12:30pm to 1:30pm. The facilitators this week will be Alma Diaz, Assistant Director Career Development will be the facilitator this Friday.

Join Zoom Meeting on Friday, September 24th from 12:30pm to 1:30pm:

<https://wpunj.zoom.us/j/99406253317?pwd=aGE3N1FtVlpFVmhlQ2tTMWtRM2hWdz09&from=addon>

Meeting ID: 994 0625 3317

Participation in this series is important for employees who would like to understand change and how they can help advance process improvement at William Paterson University.

Here's a bit of information about what you will learn in the 7-minute video entitled, The 3 C's:

This video lesson, "Business Process Engineering (BPR), the 3 C's you will learn about the 3 C's: Customers, Competition, and Change. Through this, you will come to understand why BPR is important and what BPR is truly all about.
